THE MISSION

The Mission of the Central PA Bible Conference is to proclaim the Word of God in its fullness without adding to or taking away from the sacred text of scripture. This has been the mission of CPBC since its beginning in 1920 when a number of concerned people united to form a Bible conference that would speak the truth of God in the face of the spiritual error and apostasy of that day. As apostasy continues to grow in these last days, CPBC is committed to maintaining its original and clear mission until the rapture when believers are taken into the presence of the Lord. CPBC recognizes that the Word of God is designed to reveal who God is, what God expects and how God functions which is what every person on earth needs to know and understand.

THE VISION

The Vision of the Central PA Bible Conference is to utilize every possible means to proclaim the Word of God in its fullness and without compromise. This vision will be accomplished through various means including but not limited to regular conference sessions, obtaining the best available Bible teachers, using faithful God-blessed missionaries, producing radio programs, utilizing social media, conducting youth rallies and children's meetings, promoting Bible studies and planning mission projects all with the goal to evangelize the lost, edify the believer and exalt God.
