"I am the way, the truth, and the life..."

REACHING children with the Gospel of  
Jesus Christ, and TEACHING them the  
absolute truths of the Bible.

God's Truth For Children Ministries is a  
non-denominational, non-profit mission  
under the umbrella of  
The Way of Truth Ministries.

WOTM is a fundamental Christian ministry  
proclaiming BIBLICAL TRUTH in promoting,  
supporting and encouraging the local church.

God's Truth Clubs are Bible clubs for children in grades K-5. They are held mostly in public elementary schools either 1 hour before or the hour immediately following school dismissal for one day per week during the regular school year.

They are conducted by a missionary with helpers or volunteer teachers who have been thoroughly screened. The curriculum is based on the Bible, the Word of God. These clubs are designed to assist families in teaching valuable absolute truths essential to the spiritual education God intends for all people to have. These clubs provide a convenient opportunity for children to enjoy the benefits of a more rounded education during the school year. The foundation and initial subject is the truth of the Gospel.

Upon that fundamental premise, other Scriptural truths are taught to help the children apply God's Word to their lives to enable them to mature in their Christian walk with God. To enhance and reinforce Bible lessons, we employ Bible memorization, enjoyable biblical songs, games, awards, and monthly devotional guides for use at home.
