

HIGH WAY MINISTRIES

An Outreach of The Way of Truth Ministries

Reaching the Trucking Industry
with the Gospel of The Lord Jesus Christ

*"Go out into the HIGHWAYS and hedges
and compel them to come in." Luke 14:23*

Established 2005

High Way Ministries has truck stops located along I-80 in Pennsylvania as well as in Northeast & Southern India. High Way Ministries also works with an associate ministry in Kenya, East Africa.

It is the mission of High Way Ministries to reach those in the trucking industry with the Gospel of the Lord Jesus Christ.

The Mission may be fulfilled through evangelism, Bible studies, radio programs, literature distribution, safety seminars, driver training classes, one-on-one counseling, and any other means of ministry opened by the Lord.

It is the Vision of HWM to use all possible biblical means to present the Gospel to those in the trucking industry including:

- * Establishing chapels in truck stops across America.
- * Evangelizing those in every aspect of the trucking industry such as: truck drivers, terminal workers, truck stop employees, mechanics and company personnel.
- * Edifying those who know Christ in their walk with the Lord.
- * Educating individual Christians and local churches regarding the spiritual needs of those in the trucking industry.
- * Encouraging concerned Christians to support the ministry prayerfully, personally, and financially on a regular basis.
