THE WAY OF TRUTH MINISTRIES

PRESENTS

HIGH WAY MINISTRIES

REACHING THE
TRUCKING INDUSTRY
WITH THE GOSPEL OF
THE LORD JESUS CHRIST

THE MISSION OF HIGH WAY MINISTRIES

It is the **MISSION** of HWM to reach those in the trucking industry with the Gospel of the Lord Jesus Christ. The **MISSION** may be fulfilled through evangelism, Bible studies, radio programs, literature distribution, safety seminars, driver training classes, one-on-one counseling, and any other means of ministry opened by the Lord.

THE VISION OF HIGH WAY MINISTRIES

It is the **VISION** of HWM to use all possible biblical means to present the Gospel to those in the trucking industry including:

- * Establishing chapels in truck stops across America.
- * Evangelizing those in every aspect of the trucking industry such as: truck drivers, terminal workers, truck stop employees, mechanics, and company personnel.
- * Edifying those who know Christ in their walk with the Lord.
- * Educating individual Christians and local churches regarding the spiritual needs of those in the trucking industry.
- * Encouraging concerned Christians to support the ministry prayerfully, personally, and financially on a regular basis.

THE PURPOSE OF HIGH WAY MINISTRIES

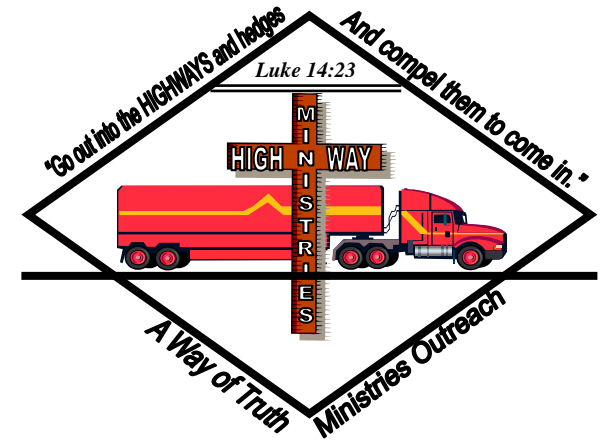

It is the **PURPOSE** of HWM to provide for the spiritual and emotional needs of those in the trucking industry. Currently the trucking industry is one of the largest unreached people groups in America with over one million individuals involved. It is estimated that by the year 2014 there will be a 26% increase in the work force of the trucking industry. These are people who face a lot of stress and fatigue by traveling the highways, being away from their homes and families, meeting deadlines, having little time off and facing many forms of sinful temptations. Many truckers are on the road days and weeks at a time and have no church to attend where the Word of God is faithfully proclaimed. HWM endeavors to meet the spiritual and emotional need of the trucker where he or she is, no matter what that need may be.

THE PLAN OF HIGH WAY MINISTRIES

It is the **PLAN** of HWM to establish chapels in truck stops along major routes at strategic locations for the most possible affects. The chapel ministries are led by a lead chaplain and supported by volunteer chaplains in each location. Where it is possible, it is also practical to have husband and wife teams serving together in the chapels. Through the chapels, regularly scheduled worship services, Bible studies, prayer meetings, counseling and one on one ministry.

THE GOAL OF HIGH WAY MINISTRIES

It is the **GOAL** of HWM to reach as many individuals in the trucking industry as possible with the Gospel of the Lord Jesus Christ, disciple them in the Word of God, and acquaint them with a fundamental church in their home areas.
