

MILITARY MINISTRIES

the Kissingers

Serving with Way of Truth Baptist Missions
with a Ministry to our Veterans

Winter 2018

Dear Faithful Friends:

Please meet my Congregation which involves a ministry to our military, we call our forgotten heroes at 7 nursing homes here in the York area – making friends and witnessing to them concerning the Gospel message of our Lord Jesus Christ.

Meet another one of our Veterans: ***Sergeant “Charlie”***

He was 94 when I first met him at one of the Nursing Homes here.

- SGT Charlie was in the invasion of Normandy of World War II.
- His was a M-10 armored tank which he commanded through Belgium, France and Germany – serving with General George S. Patton 3rd Amor Div.
- Afterwards in his civilian capacity he served as a mayor 24 years in our area here.

It was a real blessing to visit with Charlie during a period of about 2 years making at least 15 total visits to him during that time. My nephew Sean, who is a great help to this ministry, always assists me in my visits to the Nursing homes. During these many visits to Charlie proved a blessing talking about his WW II combat experiences and then to read to him from various Scripture passages, and after words as I do with other veterans – I close in a word of prayer.

Charlie went to be with the Lord at the age of 96 following a wonderful marriage of 72 years. It was a blessing, “Charlie,” ministering to you—and, this Chaplain salutes you once again!

Thank you friends for your continued faithful support and prayers. As always, your monetary support goes to our national pastors in Africa and India.

Gratefully yours in Christ,

usmilitaryministries@gmail.com

May the Lord give you a blessed Christmas
Isaiah 9:6,7
