

Media Ministry

An Outreach of The Way of Truth Ministries

"So then faith cometh by hearing,
and hearing by the word of God."
Romans 10:17

Established in 1989

The Media Ministry was the founding aspect of The Way of Truth Ministries and continues to Reach the World for Christ.

THE MISSION

The Mission of the Way of Truth Ministries media outreach is to proclaim the whole counsel of God to the whole world in a clear and uncompromising way so as to result in people receiving Jesus Christ as their personal Savior and growing to spiritual maturity in their walk with the Lord.

THE VISION

The Vision of the Way of Truth Ministries media outreach is to utilize every possible means available including radio, television, the Internet, Youtube, Facebook, printed material, etc. to proclaim God's Word to God's world so that many will come to know who God is, what God expects and how God functions.

Since October of 1989, when the first WOTM radio broadcast was aired on one station in Altoona, PA, the media ministry has continued to grow in the process of fulfilling the original mission. Two radio programs have been broadcasting since 1989, including a daily 15-minute program called "THE LIVING TRUTH," and a weekly 30-minute program called "THE MESSAGE OF TRUTH." These broadcasts continue to be aired regularly on multiple stations in the United States as well as in other nations of the world. Every day there is the potential of millions of people hearing the Word of God through the WOTM media ministries.

As God directs, the WOTM media ministries will continue to advance with the goal of evangelizing the lost, edifying the believer and exalting God.
