WOTM CORE VALUES

Integrity denotes wholeness, wellness, and completeness. Integrity is the framework for moral character. For believers in Christ it stands for Christ-like character and behavior.

There are eight qualities listed in Philippians 4:8 that describe integrity. We will pursue these qualities.

1. True - is open, unhidden expression of facts. Financial accountability, diligence in work, and genuineness in motives are all included. Competence and professionalism must be part of truth in serving God. We must be true to God's Word in this ministry.
2. Honest - is respect for all people as mandated by I Peter 2:17, which says, "Honor all. Love the brotherhood. Fear God. Honor the King." Christians are to be sensitive and compassionate in service to others. We must respect all people.
3. Just - is straight and correct. It demands highest quality and unwavering consistency in our work, products, and service. We must be just or straight in every action with others.
4. Pure - is free from every fault. We will strive to do our best in serving the Lord. We must test motives, thoughts, responses, and actions for purity as we serve together.
5. Lovely - is an active, personal quality resulting in pleasing and acceptable help and benefits to others. We must welcome all people to an environment of God's love.
6. Good report - is sounding well and pleasing. We must maintain a testimony of grace, acceptance, and helpfulness which stimulates joy in the Lord and with others.
7. Virtue - is highest standard. It reaches beyond mediocrity to excellence. We must continue the standard of good people doing quality work for God.
8. Praise - is the acknowledgment that God is at work. We must be sure that the entire expenditure of time, effort, and resources results in praise toward God as we observe Him at work in our lives and ministry daily.
